TOUGALOO SOUTHERN CHRISTIAN COLLEGE
TOUGALOO, MISSISSIPPI

March 12, 1961.

Dear Dr. Silver,

I wish to mention my appreciation of the forthright and pertinent remarks you made at the Mississippi Historical Society meeting of Saturday, March 4, as reported in the "State Times" of Jackson. It was for me a hopeful sign that at least some persons are keeping the record straight in an atmosphere of some degree of fearfulness.

I remember with pleasure my brief acquaintance with you at the University of Missouri last summer.

Sincerely yours,

Theodore H. Voth

(Dept. of Mathematics).
